The Picnic Society

See, taste and feel the summer! This can best be done in the great outdoors – with family and friends, deep in the countryside, ‘far from the madding crowd’. Precious moments are to be celebrated, carefully orchestrated and planned in style. The beautiful things in life don’t necessarily happen by chance but are the result of a love for detail. Such is the case with our new Summer Collection – inspired by the world of Jane Austen.

Classical cloches, the crocheted look and asymmetrical cuts: discover our feminine summer hats made of raffia and abacá in natural and earthy shades, combined with striking black ribbons. These are matched by our casual men’s hats made from abacá and toyo-paper trimmed with a special, fine gros grain ribbon. Spontaneity is the speciality of our new ‘Foldables’. Asymmetrical rollable hats made of abacá and foldable trilby and fedora-style hats that are especially robust are ready for adventure.

As light and carefree as a summer’s day with a picnic basket full of strawberries and lemon cake: such is the range of colours of our elegant fascinators and hats for special occasions. The sculptural shapes are reminiscent of lotus flowers, water lilies or gladioli – delicately modelled from parasol or sewn from translucent, featherweight Swiss crin.
