Foldables

Our foldable hat collection is based on an innovation that is a good 100 years old. At a time when the top hat was still an indispensable accessory for the man of the world, the chapeau claque was the symbol of a society in motion: reduced volume while still retaining its shape, easy storage at home and practical to carry around.

The characteristic feature of the Nicki Marquardt foldable hat collection is its flexible design. When the rain stops and the sun comes out or you catch your reflection in a shop window – the headpiece and brim can be unfolded or unfurled individually, always allowing a spontaneous and personal reaction to your own mood.

All models reflect contemporary fashion trends, ranging from the style of the sporty hat for men to the feminine cloche. They combine comfort with an unmistakable look. They go well with an informal outfit or add that extra touch to an elegant occasion. They accompany the wearer everywhere – on the head, folded flat in a coat pocket or in a suitcase. And they are virtually indestructible.

Nicki Marquardt Munich stands for superb, unconventional design. Each individual item is designed in our studio in Munich and made by hand. All our models are characterised by their exquisite materials, the highest quality production and their perfect fit.
