Offbeat

Daringly new, well off the beaten track.

The current Winter Collection 2015/16 radiates individuality and independence. The design and unconventional combination of materials interpret well-known classical hats anew. The restrained range of colours plays with shades of grey, beige and brown.

Leather is the star this winter.

Vegetable tanned, hand-dyed, finely smoothed and polished leather from Austria combined with high-quality fur felt, lambskin or knitwear give trilbies, fedoras and peaked caps a unique new look and an unmistakable patina. The flapper hat from the '70s presents a new interplay of cuts and lines, accentuated by leather highlights. These intricately worked, hand-made hats for woman and men lend every winter outfit a breath of exclusivity and casual elegance.

The chunky knitwear boasts unusual braiding patterns. Hand-knitted using the finest Italian baby alpaca wool, beanies and caps with leather peaks are the casual and stylish accessory for cold winter days.
