In the glowing garden

A summery afternoon outdoors: a sea of flowers and the twittering of birds, a gentle breeze and no obligations – just a feeling of blissful timelessness.

This summer collection lets us dream of next summer and celebrates the hat from its sensitive and subtle side. In delicate sorbet shades ranging from nude to apricot and aqua to amethyst, the designs play with floral shapes and are the articulation of serene elegance.

A must-have when reading in a deck-chair: our new folding hats made of the finest Milan straw and raffia. Variable and foldable they are the perfect accompaniment on any day! Ladies and gentlemen are equally dressed to perfection – whether on a casual or formal occasion – in one of our fedoras, available in many different colours and with varying brim widths.

For an invitation to a romantic wedding or an elysian garden party: on a bright summer's day or a balmy evening our exquisite headpieces of exotic parasol and our light feathery creations with appliquéd Swarovski crystals sparkle and beguile with a graceful elegance.
